MEMORANDUM FOR: Project Contracting Officer  
ATTENTION :   
THROUGH : Project Director of Administration  
SUBJECT : Approval of Persons as Requested by Westinghouse

1. A cursory check has revealed no information which would preclude the use of persons as requested in Westinghouse letter of 24 April 1956. This is not to be construed as a formal clearance, but rather as an approval ~~PER~~ ~~MEM~~. It is understood that the disclosure of information is to be of an extremely limited nature involving visual knowledge of the equipment being build under Contract FL-3011; the representation of which is to be as a 'prototype' vice 'production model'.

2. In the event that future requirements should necessitate additional involvement with the afore-mentioned persons, a formal clearance must be initiated.

3. It is suggested that, if at all possible, a Project representative be in attendance during the presentation.
